PROFESSIONAL EXPERIENCE

Prototype Development Manager & Marketing Team Member

Apr 2025 – Present

Skooly Smart AI — Jeddah, Saudi Arabia

- Spearheaded development of an AI-powered smart school platform with 5+ core features integrating AI and IoT technologies to enhance educational outcomes.
- Collaborated with cross-functional stakeholder teams to transform concepts into functional prototypes, reducing concept-to-prototype cycle time.
- Gathered and documented business requirements from end users, directly improving platform usability and feature alignment.
- Conducted competitive analysis across 4 rival products, identifying key differentiation opportunities that shaped the product roadmap.
- Created 10+ marketing content pieces per month including social media posts and promotional materials, growing brand visibility across platforms.
- Analyzed campaign performance metrics across multiple channels to optimize engagement, reach, and conversion rates.

Marketing Intern — Cooperative Training

25 Jan – 15 Feb 2026

Modern Lifestyles Trading Est. — Jeddah, Saudi Arabia

- Managed social media content for a company serving 20+ years in the Saudi market across smart home, home cinema, and audio/video services.
- Handled customer communications and supported 3+ concurrent marketing campaigns within the Marketing Department.
- Applied knowledge from 2 core university marketing courses to real-world tasks, accelerating practical skill development in under 3 weeks.
